

BEANZ Executive Vacancies

- Curriculum Development Representatives
- Regional Representatives

Looking for your next challenge? Build on your leadership skills? Further your career pathways? Or perhaps giving back to the biology community? We are currently taking nominations for BEANZ Curriculum Development Representatives on the Executive and also BEANZ Regional representative team members. Due to a recent resignation there is also a vacancy for Junior Vice President; BEANZ executive have nominated Ian Reeves for this position. Ian is currently the Canterbury regional representative and a member of the executive as a curriculum development representative. Nominations will be presented at our AGM/forum which is being held at BioLive, in Dunedin on Monday 8th July. Please contact biologynz@gmail.com to put forward a nomination or for more information about any of these vacancies.
