

# BEANZ Regional Workshops

Across the country, BEANZ are hosting workshops as part of BEANZ's professional learning support for all Biology educators.

The focus of this year's workshop is the new NCEA Level 1 Science Standards, which may include:- New Learning Matrix (Big Ideas in Science), latest Draft of new Achievement Standards, examples of learning and assessment activities and how can our favourite topics fit in? As well as Mātauranga Māori, which may include what this looks like in the classroom and examples of resources that could be used.

Here are the dates of some of the workshops on offer. To find out what is happening in your region, please contact your regional rep.

Region	Reps	Email Contact	Date
Northland	Lynn Kincla	<a href="mailto:lkincla@pukemirokura.school.nz">lkincla@pukemirokura.school.nz</a>	Fri Nov 20
