

Hawkes Bay Term 2 Tuesday 22nd June

Woodford House, Havelock North. Facilitator Ben Himme.

To cover AS91604 Homeostasis and AS91607 Biotech

Nelson / Marlborough Thursday 24th June

Nayland College, Nelson. Facilitator Gerd Banke.

To cover AS91604 Homeostasis and AS91153 Investigation (L2)

Information for both workshops

Cost \$120 per person, maximum of 30 attendees.

The Best Practice Workshop is an opportunity for teachers of biology to hear from a national external moderator. It will cover what is expected of students at A,M,E levels for the two standards. You will be able to bring examples of work and ask questions regarding how to achieve the best possible results for students.

To Register: Reply to this email allanannikanz@gmail.com with your name and school. A return email from the Administrator will be your confirmation of registration.

NB: 1. No payment is required in advance. NZQA will invoice you after the event.
2. Maximum of 30 teachers per workshop so advice is to get in early.
